WORLDCOM ON-THE-RECORD PRESENTATION

Jefferson City (August 26, 2002)---On August 15, 2002, the Missouri Public Service Commission opened a case to receive information on the effects of telecommunications carrier bankruptcies in Missouri. In part, this case was established in light of the WorldCom bankruptcy.

As part of the order establishing the case, WorldCom, Inc., Intermedia Communications, Inc., TTI National, Inc., Brooks Fiber Communications of Missouri, Inc., MCI WORLDCOM Communications, Inc., MCI WORLDCOM Network Services, Inc., MCImetro Access Transmission Services, LLC, Metropolitan Fiber Systems of St. Louis, Inc., and Teleconnect Long Distance Services & Systems Co. were asked to jointly make an on-the-record presentation to the Commission regarding the status of the bankruptcy and its expected impact on Missouri customers and on other telephone corporations operating in Missouri.

The on-the-record presentation, originally scheduled for September 19, 2002, is now scheduled to begin at 10:00am on October 9, 2002 in Room 310 of the Governor Office Building (200 Madison Street) in Jefferson City.

On July 21, 2002, WorldCom Incorporated filed for bankruptcy protection. WorldCom is the parent company of a number of affiliates including the MCI Group.
